

# Typography

---

Three typefaces, each with one job. Space Grotesk carries voice in headings. Inter handles body and UI. JetBrains Mono labels system-style elements.

## DISPLAY — SPACE GROTESK

# The Human Operating System

48pt

## How we think, decide, feel.

32pt

## BODY — INTER

Rewiring Minds is an open educational framework that teaches self-awareness, decision-making, and emotional intelligence.

16pt

Use Inter at 13–16pt for paragraphs, 12pt for UI labels, 11pt for captions.

13pt

## MONO — JETBRAINS MONO

// SYSTEM    PROCESS    AWARENESS

11pt
